Correction of The Australian Article

The board of **AMA Group Limited** (ASX: AMA) has become aware of an article on page 20 of the Business section of The Australian Newspaper today which asserts that AMA is “teaming up with Blackstone to form an offer for Suncorp’s Smash Repairs Group, Capital SMART”.

AMA wishes to clarify that this suggestion is incorrect.

AMA is not teaming up with Blackstone to make any offer for the Capital SMART business.

Further, AMA’s announcement that Mr Anthony Day will be joining the board of AMA after the AGM has no connection with Suncorp selling the Capital SMART business. Mr Day will be joining the board due to his excellent credentials and experience in the insurance industry in Australia, AMA’s core customer group. The board of AMA believes that Mr Day will make a valuable contribution to the board.

Ends.
