2. Eligibility to participate in the DRP.

2.1. Participation in the DRP is subject to these Rules.

2.2. Participation in the DRP by Eligible Shareholders:

- a) is optional and voluntary;
- b) is not transferable; and
- c) may be varied or terminated at any time in accordance with rule 10.

- 2.3. Subject to rules 2.4 and 2.5, an Eligible Shareholder is, in respect of a particular Dividend Record Date, a person who, at that Dividend Record Date, was recorded in the Company's share register as a registered holder of at least the Minimum Participating Holding (if any) and whose address in the Company's share register:
- a) is in Australia; or
 - b) is in a jurisdiction in which the Company is satisfied that the offer and issue or transfer of Shares under the DRP is lawful and practicable.
- 2.4. provided that the Board may determine that a Shareholder, or a class of Shareholders, are not Eligible Shareholders if they are, or hold Securities on behalf of other persons who are, resident outside the jurisdictions mentioned in paragraphs (a) and (b) above. The Company has the discretion to refuse to accept any person's Securities for participation in the DRP and to suspend or withdraw any person's Securities from participation (including declining to issue or transfer or reducing the issue or transfer of Shares under the DRP to a Participant) if the Company considers that the participation of those Securities might:
- a) otherwise breach any law of Australia, the Listing Rules or the constitution of the Company; or
 - b) otherwise prejudice the effective operation of the DRP.
- 2.5. The Board is entitled to make a final determination as to whether any particular Shareholder is an Eligible Shareholder for the purposes of these Rules or not, and to change any such determination, as and when it sees fit. In making this determination, the Board may consider, among other things, whether such participation would or may be impracticable, impossible or illegal and any actual or anticipated inconvenience or expense in allowing, or investigating the possibility of allowing, such participation.
- 2.6. Where an Eligible Shareholder has more than one holding of Securities:
- a) each holding will be treated as separate for the purposes of the DRP, such that a separate Participation Notice must be lodged with respect to each separate holding that is to participate; and
 - b) these Rules will apply as if each such holding were held by a separate Participant, unless the Board determines otherwise.
- 2.7. Where an Eligible Shareholder holds multiple forms of Securities:
- a) each form of Security will be treated as a separate holding for the purposes of the DRP, such that a separation Participation Notice must be lodged with respect to each form of Security that is to participate; and
 - b) these Rules will apply as if each form of Security were held by a separate Participant,
- except where the Board determines otherwise.

For the avoidance of doubt, this rule 2.7 applies even where the relevant Securities are held under a single shareholding account.

- 2.8. If Securities are jointly held by two or more Eligible Shareholders, all joint holders of such Securities must sign a single Participation Notice for it to be valid. If one or more of the joint holders of the Securities is not an Eligible Shareholder, none of the joint holders can apply to participate in the DRP with respect to the Securities jointly held.
- 2.9. If a shareholding account appearing in the Company's share register relates to a broker's clearing account, or a trustee or nominee, and the broker, trustee or nominee notifies the Company that the relevant Securities are held for a number of different persons and specifies the number of Securities held for each of such person as at a particular Dividend Record Date (although the names of such persons need not be specified), then each such holding shall, as at that Dividend Record Date, be taken to represent a separate Shareholder for the purpose of the Minimum Participating Holding (if any) and the Maximum Participating Holding (if any), and these Rules will be read and interpreted accordingly.

3. Application to Participate and Extent of Participation

- 3.1. Application to participate in the DRP must be made on a Participation Notice submitted to the Company via the Share Registry. Subject to rule 5, upon receipt by the Share Registry of a duly completed Participation Notice from an Eligible Shareholder, that Shareholder's participation commences and will be effective in respect of a Dividend provided it is received on or before the Election Date.
- 3.2. Participation may be either full or partial. A Participation Notice must specify whether the Shareholder has elected Full Participation or Partial Participation, and if Partial Participation is elected, the Participation Notice must clearly specify the number of Securities that are to be Participating Securities.
- 3.3. Full Participation means that all Securities registered in the Participant's name from time to time (subject to the Maximum Participating Holding (if any)) are Participating Securities. Where a Shareholder has elected Full Participation, all Securities subsequently acquired and held by that Participant (whether under the DRP or otherwise) will be Participating Securities, subject to:
 - a) the Requirements;
 - b) any later Participation Notice submitted by that Participant; and
 - c) the Maximum Participating Holding (if any).
- 3.4. Partial Participation means that only the number of Securities specified as participating in the Participation Notice by the Shareholder are Participating Securities (subject to the Maximum Participating Holding (if any)). However, if at the relevant Dividend Record Date the number Securities held by the Participant is less than the specified number of Securities, the DRP applies to the lesser number of Securities (and the Participant is deemed to have lodged a Participation Notice to this effect). This means that, where a Shareholder has elected Partial Participation, Securities in excess of the number specified as participating that are subsequently acquired by that Shareholder (whether under the DRP or otherwise), will not

participate in the DRP unless that Shareholder submits a further Participation Notice in accordance with rule 10.

3.5. If a Participation Notice does not, in the opinion of the Company, clearly indicate the level of participation in the DRP, it will be deemed to be an application for Full Participation.

4. Minimum Participating Holding and Maximum Participating Holding

4.1. There is no limit on participation in the DRP unless the Company determines that there is a Maximum Participating Holding prescribed in accordance with clause 4.3.

4.2. The Company may determine a minimum permitted number or percentage of Participating Securities per Participant (whether in respect of a particular Dividend or Dividends generally) from time to time by notification on the Company's website and by notice to ASX.

4.3. The Company may determine a maximum permitted number or percentage of Participating Securities per Participant (whether in respect of a particular Dividend or Dividends generally) from time to time by notification on the Company's website and by notice to ASX.

4.4. To the extent that a Participation Notice has specified a number or percentage of Participating Securities in excess of the prevailing Maximum Participating Holding (including an election of Full Participation where the number or percentage of Participating Securities would otherwise exceed that limit), for so long as the Maximum Participating Holding applies:

- a) the number or percentage of Participating Securities for that Participant for the purposes of these Rules is deemed to be the Maximum Participating Holding;
- b) any Shares specified in the Participation Notice as Participating Securities in excess of the Maximum Participating Holding (including an election of Full Participation where the number or percentage of Participating Securities would otherwise exceed the Maximum Participating Holding) are deemed not to be Participating Securities, and any Dividend payable in respect of them will be paid by the Company in accordance with its usual arrangements for the payment of Dividends.

4.5. To the extent that a Participation Notice has specified a number or percentage of Participating Securities less than a prevailing Minimum Participating Holding (including an election of Full Participation where the number or percentage of Participating Securities would otherwise be less than that limit), for so long as the Minimum Participating Holding applies:

- a) the number or percentage of Participating Securities for that Participant for the purposes of these Rules is deemed to be zero; and
- b) any Securities specified in the Participation Notice as Participating Securities (including an election of Full Participation where the number or percentage of Participating Securities would be less than the Minimum Participating

Holding) are deemed not to be Participating Securities, and any Dividend payable in respect of them will be paid by the Company in accordance with its usual arrangements for the payment of Dividends.

5. Acceptance and Effectiveness of Elections to Participate

- 5.1. Subject to rule 5.3 and rule 5.2, an Eligible Shareholder's participation in the DRP will commence upon receipt by the Share Registry of the Eligible Shareholder's Participation Notice and will continue for so long as the Participation Notice is effective under rule 5.2.
- 5.2. Subject to rule 5.3, a Participation Notice validly submitted or otherwise accepted by the Company is effective:
- a) from the date the Participation Notice is received by the Share Registry;
 - b) in respect of a Dividend, if the Participation Notice is received on or before the election date.
 - c) until:
 - i. the Participant varies or terminates participation in the DRP under these Rules; or
 - ii. termination of the DRP; and
 - d) until the Participant ceases to be an Eligible Shareholder under rule 2.3. A Participation Notice will become effective again if and at such time as the Shareholder recommences to be an Eligible Shareholder.
- 5.3. The Company may:
- a) accept or reject a Participation Notice which is not properly completed or signed and,
 - b) correct any error in, or omission from, a Participation Notice, prior to acceptance under rule 5.3(a).

By applying to participate in the DRP, the applicant:

- a) warrants to the Company that it is an Eligible Shareholder;
- b) acknowledges that Dividends reinvested under the DRP will be assessable for applicable income tax in the same way as cash Dividends;

- f) consents to the establishment of a DRP account on its behalf;
- g) consents to any residual balance produced by the calculation in rule 7.2 being dealt with in accordance with rule 7 (including the donation of the residual balance in its DRP account to one or more registered charities, in the circumstances set out in rule 7.4) and acknowledges that if the residual balance is donated in the circumstances set out in rule 7.4, a receipt will not be issued in connection with such a donation;

- h) agrees to the appointment of the Company, or a nominee (including a broker or the Share Registry) appointed by the Company, as the Participant's agent to acquire Shares either off-market or on ASX, where the Company decides to Allocate Shares to Participants by acquiring existing Shares in accordance with rule 8 (and for the avoidance of doubt, the applicant agrees to the Company or its nominee taking all steps necessary to register the Shares in the applicant's name, including the execution of any share transfers required);
- i) acknowledges that the Company may (subject to the Listing Rules) arrange for the DRP to be fully or partially underwritten in respect of any one or more Dividends;
- j) acknowledges that neither the Company nor the Share Registry has provided the applicant with investment advice, financial product advice or any securities recommendation concerning its decision to apply to participate in the DRP and that neither has any obligation to provide any such advice or recommendation; and
- k) unconditionally agrees to the Rules and agrees not to do any act or thing which would be contrary to the spirit, intention or purpose of the DRP or the Rules,

in each case, at all times until termination of the DRP or of the Participant's participation in the DRP.

or
- b) the Participant ceases to participate in the DRP for whatever reason,

Participants will not be issued with a receipt in connection with such a donation.

7.5. No interest will accrue to a Participant in relation to any residual balance in the Participant's DRP account.

7.6. Shares are Allocated under the DRP at the Allocation Price, which is the Average Market Price of Shares during the Pricing Period, less the Discount (if any) determined by the Board. The determination by the Board of the Allocation Price is binding on all Participants.
